

Author's Bio

#1 Bestselling Author Jessica Lauryn has been writing since before she could hold a pen. Her days of storytelling through the art of playing with dolls inspired her to write romantic suspense novels The Romance Reviews describe as having "Just the right amount of passion and romance!" Villains often reform in Jessica's stories, and just may become heroes themselves! When she's not writing, Jessica enjoys collecting antiques and finding beautiful, wooded areas to explore with her family.
