

Author's Bio

Priyanka Taslim is a writer represented by Quessa Robinson of Folio Literary Management. Priyanka writes swoony young adult and adult novels starring the Bengali characters she wishes she'd seen growing up. When she isn't writing, she's teaching, reading, otherwise geeking out, or waxing lyrical about her dapper tuxedo cat, Loki. *The Love Match*, which has been praised in *Teen Vogue*, *USA Today*, and more, is her first published novel.
